1. **INCORPORATION OF MASTER AGREEMENT.** The purpose of this Participation Agreement is to allow the Participant to purchase vehicle rental services from EAN at the discounted prices set forth in the MA, and this Participation Agreement shall act as a joinder agreement to the MA whereby the parties hereto agree with each other to be bound by all of the terms and conditions of the MA with respect to the Participant's vehicle rentals hereunder and thereunder. To that end, the MA is hereby incorporated herein by reference as if set forth herein in its entirety, including all subsequent amendments thereto. However, to the extent any terms and conditions set forth in the MA conflict with any terms and conditions of this Participation Agreement and/or to the extent this Participation Agreement contains terms different or in addition to the terms contained in the MA (such conflicting, different and/or additional terms in this Participation Agreement hereinafter referred to as the "Supplemental Terms"), the Supplemental Terms shall prevail.

EAN may terminate this Participation Agreement without cause upon sixty (60) days written notice to Participant, and Participant may terminate this Participation Agreement without cause upon sixty (60) days written notice to EAN.

5. MISCELLANEOUS. Unless otherwise defined herein, capitalized terms appearing herein shall have the meanings ascribed to them by the MA. 6. PAYMENT. Participant shall be responsible for any and all payments owed by Eligible Renters under a Rental Contract entered into pursuant to the terms of the MA.

7. Services:

A. Offer 24-hour roadside assistance for vehicle breakdowns. If vehicle breakdown is not the fault of the driver, there will be no fee for this assistance.

B. Provide free Emerald Club membership to all Participant accounts

C. Reporting provided by Enterprise will include:

The report will identify all Participant transactions occurring in the Commonwealth of Virginia where the Participant was charged additional fees and / or taxes that the Participant is exempt from paying. The only fees that are exempt are the car rental tax and sales tax, other fees like vehicle licensing fees and airport fees are not exempt. Participant is only eligible to be refunded if Enterprise is provided with a current tax-exempt certificate form and also completes the transaction with a University issued purchasing card or direct billing account. This audit and exemption does not apply to transactions completed using a personal debit or credit card. Enterprise will reimburse the Participant annually for all fee / tax billing errors that are mutually agreed as such. Annual tax / fee exemption audit will be completed by Enterprise each year upon request. Enterprise will not charge the Participant for any cost to complete this annual audit.

D. Enterprise will drop-off and deliver rented vehicles at Participant requested locations.

In certain situations, Enterprise locations are able to pick up and/or deliver vehicles to a business address. We will require a 48-hour notice; the notice may increase during peak travel seasons and geographical restrictions may apply. A minimum length of rental charge for a free delivery and pick up of a vehicle is three rental days. We will provide free pick-up and drop-off of an employee if the employee is willing to pick-up the vehicle at one of our home city locations. Employees should utilize Enterprise home city locations for pick up and drop off service to a nearby airport. Pick up and Drop off service is not available at airport locations. The local Enterprise branch will work closely with you to meet your delivery needs. In the event the three day minimum is not met, Enterprise will charge a \$25 fee per delivery.

E. Eligible Renters

ELIGIBLE RENTERS. In order for an Eligible Renter to be eligible to rent from EAN or an Affiliate or Franchisee, he/she must meet the qualifications set forth on the Schedules 1, 2, and 3 of the MA in the jurisdiction in which the specific vehicle rental originates. Participating Members may be required to verify the status of any person claiming to be an Eligible Renter or Additional Authorized Driver, as defined herein, in the event that person has or causes an accident during Business Use. To whom it may concern:

The University, its officers, employees and agents are provided with liability insurance protection through the Commonwealth of Virginia's self-insurance program, which provides up to \$2,000,000 of liability protection on an occurrence basis. As a public agency, the University is not permitted to add other entities as additional insured's to the Commonwealth's self-insurance comprehensive liability program, nor can we provide contractual liability coverage that would assume contractual indemnification or hold harmless provisions. The University will remain insured through the state's self-insurance pool for the foreseeable future, as there are no plans at this time to pull away from the state's liability program, nor would the state's program expire without legislative action since it is provided in accordance with Code of Virginia (Section § 2.2-1838 and § 2.2-1837). Thank you for understanding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra E. Hinton", with a long horizontal flourish extending to the right.
