A screenshot of the America To Go website interface for the University of Virginia. The page features a dark blue sidebar with navigation links: Home, Create an Order, My Orders, and Profile. The main content area includes a large image of the University of Virginia's Rotunda building. Below this, there is a welcome message and a list of links for more information. The page also features three featured sections: Sustainability (Zero Waste), SWaM (Supplier Diversity), and Same Day Orders. Below these sections is a row of logos for SWaM Vendors, including BY'S, Eric's Steamer Catering, Wayside, Devon Stribling, feast!, DaH, AND, Red Hub Food Co, Sticks, and Harvest Moon. At the bottom, there are two line graphs showing spending trends for Zero Waste and SWaM vendors from February 2023 to February 2024. The Zero Waste spend is consistently around 45%, and the SWaM spend is consistently around 45%.

WHAT'S NEXT?

If you have an immediate need...

1. Complete the Microsoft Form found here:

<https://forms.office.com/r/OE9Zhm4CWX>

NOTE: You must log in using your @virginia.edu domain if you have an alternate (i.e., UVA Health, Darden, Law, etc.)

2. Follow the Account Registration & Ordering Guides to access Hawk Marketplace and purchase gift cards using your T&E Card

3. Track Order History and Status in Hawk Marketplace and Contact Blackhawk Network Group for Customer Service and Support

NOTE: Departments are still responsible for reconciling their T&E Cards for gift card procurements and keeping track of all recipient information for tax reporting purposes per normal processes. Recipient information is highly encouraged during the Workday Expensing process, but this is *not* a requirement as mentioned during last FA Meeting. 'TBD' or 'Other' are acceptable entries for reconciliation, depending on your procurement needs.
