February 2022

What's the latest news?

Foundation Data Model: FDM Mapping work will continue until the Freeze on May 10, the sprint reached its goal of 85% mapping completed. Reaching 85% is important, but there are a few further details that illustrate the amount and quality of work completed in this six-week time frame. Read about them [here](#).

Training: It's all about quick reference guides (QRGs) with our training team right now.

The team is writing an avalanche of QRGs with the aim to have them reviewed by the FST Functional team in mid-February and complete by the end of February. Find out more [here](#).

Workflow Control & Approvals (Security Role Mapping) Sprint: Helpful WFCAs updates and resources are available. Please visit the community site [here](#) to download these files and stay current with WFCAs processes. You can access the landing page [here](#).

Expense Ambassadors

Building on the Expense Ambassador success from 2017, FST is working with the ambassadors again to help navigate the expense management side of Workday Financials. Some are returning Expense Ambassadors and many are new to the team, but all have expertise in their area and are familiar with expense and reimbursement systems. Learn more on the [on the blog](#).
