

Finance Strategic Transformation

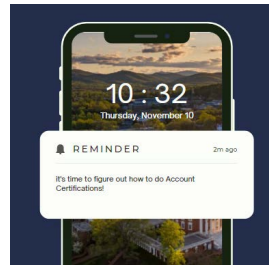

COMMUNICATIONS

November 2022

What's the latest news?

Account Certification: Since the transition to Workday Financials, we have been tracking issues with Account Certification and are providing updates and resources. For more information on potential issues, resolutions, and updated resources visit [here](#).

Time with a Trainer: To continue to support stakeholders use of Workday Financials, UVAFinance trainers are providing 1:1 time. To schedule, visit [here](#) and the click on the link that corresponds with the functional area.

Reporting Resources: The Reporting Resources site available [here](#) continues to be updated with easy-to-access reports and tools related to everything from Workday Reporting to UBI Analytics.

Other updates

[FST Update](#), [Training Resources](#), and [News Ticker and System Issues on UVAFinance Website](#)

Tracking Deferred Items

UVAFinance is tracking deferred items and areas experiencing challenges post-go-live of Workday Financials (spend, account certification, fund balances, etc.) on the UVAFinance website. Get resources and guidance, plus see the status of all deferred items [here](#).

WFST

Multitaskers rejoice! [Listen to our biweekly FST update.](#)
